Social skills and competences

I have excellent skills for team working and inter-human communication, I like working with people. I am communicative and easily adapt & integrate myself into new groups. During my professional life I performed activities in different groups & teams (groups of students, experts in Physics and Political Sciences, teaching staff of the University of Pitești, European partnerships and representatives of the socio-economic environment). I have good abilities in adapting myself to multicultural environments, gained through my work experience in the framework of the EU projects.

Organisational skills and competences

I was in a managerial position for more than 20 years, organising activities in international and national frameworks or professional networks that involved more than 20 permanent staffs and some other 400 part-time or provisional staffs. I am experienced in project design, implementation and development (over 130). I coordinated transnational teams of more than 30 persons, from different European and/or accession countries.

I organized the "Pro EU" summer schools for educational projects designing.

I was the Vice-president of the Organizing Committee for the International Conferences "Education Facing the Contemporary World Issues" (2004 and 2006 editions) and for the Romanian National Conference in Physics in 2004.

I was member of the Programme Committee in the IADIS International Conference e-Society 2007 (Lisbon – Portugal), 2008 (Algarve – Portugal) and 2009 (Barcelon – Spain).

I worked with students in performing cultural events (i.e. The Evenings of the Physics Engineering Students), I was involved and still am in European educational and research projects (as coordinator or/and partner).

Technical skills and competences

I have excellent quality assurance skills.

I have good skills in using different specialised software.

Computer skills and competences

I have good skills in word processing and other similar applications (Microsoft Office™ tools, Corel WordPerfect), I am acquainted with Internet and other communication software. I am also acquainted with using Virtual Learning & Working Environments.

Artistic skills and competences

I like singing and dancing (I was member of the school choir during the secondary and post-secondary schools).

Other skills and competences	Although I am Physicist and Doctor in Physics of the Solid State/Condensed Matter, I extended my field of expertise toward educational sciences (Psychology, Pedagogy, didactic evaluation, Lifelong Learning, Adult Education and VET) and Political Sciences (Public Administration and International Relations). I am author/co-author in over 100 papers published in national and international conferences, reviews and journals. I am author/co-author of more than 30 books and scientific articles reviewer for ISI journals (i.e. Aging & Society). I have good experience in EU projects, both as coordinator and partner. I was the coordinator of 14 such projects and partner in over 110.
Driving licence	I obtained my driving license in November 2004.
Additional information	I am member of the European University Association (EUA), Agence Universitaire de la Francophonie (AUF), Danube Rectors Conference (DRC), European Physics Education Network (EUPEN), European Distance and e-Learning Network (EDEN). I completed military service. I am married with two children. References can be supplied on request.
